CARNATIONS—Rooted Cuttings

November to June Delivery

Introducing

Keefers Cheri Sim

The color is a deep salmon-rose pink, even throughout the flower, and stays a good bright salmon pink during hot weather. The flowers are large and full and the growth and production are at the top of the Sim sports. Sales restricted until Dec. 31, 1960.

Special 10% Discount on November and December Delivery

All orders for carnation cuttings shipped during November and December, 1957, will receive a special 10% discount off of the list prices below in addition to 5% discount for cash with order.
